

MiniWorkshop on “Nano-Biotechnology”

15th March 2017

Sala Nord - corpo G - piano terra CNR NANOTEC - LECCE

9:30 **Giuseppe Gigli**
(CNR NANOTEC Director) Greetings and short presentation of the Institute of Nanotechnology

9:40 **Valentina Arima**
(CNR NANOTEC Lecce) Web site overview– “Nano-biotechnology”

Session 1: Biomolecular delivery, Imaging, Cell Biology, Regenerative medicine and Biointerfaces

9:45 **Viviana Vergaro**
(University of Salento, Lecce) Biomolecular Delivery

10:05 **Alessia Cedola**
(CNR NANOTEC, Roma) Imaging

10:25 **Antonio Gaballo**
(CNR-NANOTEC, Lecce) Cell Biology

10:45 COFFEE BREAK

11:05 **Eloisa Sardella**
(CNR NANOTEC, Bari) Regenerative Medicine

11:25 **Bruno Zappone**
(CNR NANOTEC, Rende) Biointerfaces

11:45 Panel discussion on Biomolecular delivery, Imaging, Cell Biology, Regenerative medicine and Biointerfaces - Chairman: Dr. **Angelo Quattrini**

12:30 LUNCH BREAK

Session 2: LOC, Biosensing & Bioelectronics

14:30 **Monica Bianco**
(CNR NANOTEC, Lecce) Lab on Chip

14:50 **Marianna Ambrico**
(CNR NANOTEC, Bari) Biosensing & Bioelectronics

15:10 **Dr. R. Furlan** Nanobiotechnology: a clinician's perspective
(OSR, Milan)

15:30 Panel discussion on LOC, Biosensing & Bioelectronics
- Chairman: Prof. **Giacinto Scoles**

16:15 **Giuseppe Gigli**
(CNR NANOTEC Director) Conclusions & Final Remarks

16:30 Visit of the laboratories
